Ashland SWCD will provide each artist an urn-style rain barrel, primer and sealant. Please review artist instructions to make sure you can meet the participation commitments. Rain barrels will be displayed in downtown Loudonville, downtown Ashland, and at Freer Field during Balloon Fest. The rain barrels will be auctioned online to the highest bidder; all proceeds will go toward stormwater education programs in Ashland County. Cash prizes will be presented to the winners of each category selected for 2024 (included in Artist info Sheet)!
